

## Design Team Workshop: The Final Stretch to Defenses

March 21, 2015 — 8:30–3:30 pm

### DRIVING QUESTIONS

- What is a quality defense?
- How do we measure the quality of student defenses?

### LEARNING TARGET

I can implement a calibration session for our upcoming defenses.

### PRODUCT

By the end of the day, you (or your team) will have

- a plan for assessing and calibrating around your upcoming student defenses
- a rubric established for your defenses, and/or a defense protocol that embodies your pathway's values and outcomes.
